

Selfie Wizard (Various Hire Durations):

What is the Selfie Wizard?

The Selfie Wizard is a new exciting system that allows your guests to instantly upload photos from their smartphone or tablet to a TV or projector screen slideshow.

There is also the option of adding a professional photo printer too, for fast high quality prints.

Benefits of using the Selfie Wizard:

Works with any smart phone plus a wide range of mobile devices

Minimal set up time

Photos displayed in seconds for everyone to enjoy

No apps or special software to download

User-friendly and extremely simple to use

No WiFi required at the venue, the Selfie Wizard has it's own built in hotspot for your guests to connect to so no hidden charges

A digital copy of all the images on a memory stick for you to keep, presented at the end of the booking

Extra entertainment for you and your guests

Ideal for displaying photos taken throughout the day for evening guests to enjoy

Printing option available (fair usage applies)

Please don't hesitate to contact us should you require any further information.
