"We were super pleased with the service provided. We really valued compiling our music list and being able to speak with the team beforehand to discuss our likes and dislikes, and get a feel for each other. They were also superb with our pestering guests I know a few asked for Abba, which was a big fat 'no' for us, and they stuck to it!"

Ms Gemma Ellis

"The Wedding Players are wonderful."

Mrs Kelly Williams-Nobbs

"Chris (our DJ) was fantastic. Professional and knowledgeable. Fantastic at picking age-appropriate music and he was able to gauge what would and wouldn't necessarily go down well at a wedding (I'm a heavy metal fan and my parents aren't). He stuck to our instructions (there's certain music we really hate) and he played everything that we asked him to."

Mrs Laura Cochrane (Mills)

"We couldn't have asked for more... from initial communications through to the event, having you guys on board was a pleasure."

Mr Daniel Jones

"Altogether they were fantastic"

Mrs Clare Davies (Evans)

"Matt was unbelievably helpful as a DJ, going so far as to recommend music to supplement our choices, and to make the order of the songs perfect for a smooth transition through the evening. Our guests never once stopped dancing! The photo booth was also amazing and great fun, with Matt adding a custom background for our venue which was a lovely and personal touch. All in all we couldn't have asked for more."

Mr Charles Stanton

"Highly recommend The Wedding Players! They completely delivered. The photobooth was fantastic with amazing 'real' props!! They were queueing for it at our wedding! The music was exactly what we wanted, with a few 'random' requests which were fulfilled completely. Outstanding night and i'm thrilled we choose them. Completely professional but warm and friendly also."

Mrs Lindsay Hoare (Webb)

"Our DJ was very professional and communicated well throughout our wedding preparations as well as on the day. He used our requested play list as well as adding his own songs as and when necessary to keep the guests dancing. Matt was very friendly, polite and kind and we would highly recommend him as a DJ."

Mrs Cab Chapman (Roe)

"The wedding players were excellent, communication throughout was fantastic and they delivered everything as promised. Could not fault anything and would most definitely recommend to one and all"

Mr Jonathan Skirton

"We were so pleased with the whole service. From the outset we had faith in Lee and Matt's professional service. Matt offered fantastic understanding, taste and flexibility in discussing song choices for the set list and the disco was perfect from start to finish. We couldn't recommend him highly enough. Thank you all (but especially Matt!) for helping make the day the best of our lives!"

Dr Nick Jestic

"They were professional & friendly from initial contact to the wedding day and made things so easy and fun for us. Music can make or break a party and they helped us make sure everyone had an amazing time with their recommendations and assistance. Knowing my love of 'Back to the Future' (Delorean was present at wedding) Matt our DJ had the orchestra version of the soundtrack to play us out at the end of the night. A complete surprise and a truly unique and wonderful end to our night."

Mrs Sophia Mackie Ellis

"We booked a DJ, Love Letters and a Photobooth from the Wedding Players for our wedding this year. All communication with Lee was prompt, friendly and very professional which stood out to us straight away. They made the booking process easy in what was a busy time for us. On the day everything went smoothly so we couldn't have asked for more."

Mr Stuart Beveridge

"Great guys - well organised and kept at ease. Allowed us to push first dance back due to everyone (including myself) enjoying the amazing weather. Worked with us to get our photobooth photos up on the many screens in the venue which our guests enjoyed"

Mrs Hannah Bland (Ewen)

"I think it's fair to say that Rebecca and I were extremely pleased with the service that both Lee and Matt provided us... it was by far the easiest part of the day to arrange, and seemed to just work really well without us needing to be overly involved, which was great. Matt

really got the tone of the music right for the event, everyone commented that they enjoyed the music throughout in the evening, and playing out to Tenacious D was not something we had planned, but was fantastic fun."

Mr Richard Exley

"Very well organised from start to finish, constant communication and never too busy to respond to emails or phone calls. We made our own playlist which was a brilliant idea as we got to have all our favourite songs, we also wanted an edited version of our first dance which was done by the Wedding Players without question or hesitation, nothing was too much trouble. The presentation on the night was not over the top or too loud just high quality sound and lighting, I danced all night!"

Mrs Katy Evans

"Throughout the build up, Lee from the wedding players was brilliant. He responded quickly to any questions, and helped us organise for our friends to sing on the night. On the night itself, Matt the DJ was fantastic. He followed our exact playlist request, he even managed to save our favourite song (Frank Turner - Photosynthesis, which we'd actually forgotten we'd put on the playlist) until the end! What a way to end the day, perfect!"

Mrs Kylie Cohen (Chivers)

"Was more than pleased with the service and quality. Music was fantastic, myself and my Husband had so many good comments from our guests on the music for the evening, with many comments saying it's the best music to be played out of all weddings they had attended. Matt went out of his way to please us. Put on song requests when asked and played a song list given between songs he had picked. Lighting was beautiful. The music, lighting & Dj really made our reception perfect. Thank you so much."

Mrs Kirsty Morgan

"The Wedding Players were such a find! They were a pleasure to work with, always being extremely prompt to respond to emails. Darren, our DJ had such a great manner about him. He called us before the day to talk through things, check whether we had any questions and to give us some great tips and on the night played all of our chosen music and didn't rush us for our First Dance. We all had such a great time, one of my little cousins in particular claimed the dance floor for most of the night"

Mrs Laura Peerless (Gardner)

"We cannot fault the service we had. DJ Daren played all the songs we'd requested, the set up of the equipment looked really good and suited our venue perfectly. He read the crowd well and catered for everybody."

I had total peace of mind throughout the booking stage right up until the special day. On that day, Matt the DJ was spot on. He got on with the job in hand with minimal fuss, but regularly had a catch up with me and seeing how it was going and getting feedback. The evening do was brilliant - great music!"

"The organisation was flawless and the guests commented how lucky we were to have such a good DJ. We had a first dance planned which involved a specific version of a song not regularly available but the company made sure to find it. We wanted to practice our first dance and only had a small window to do so early in the evening. The wedding players came early and set up in rapid time which allowed us to do so. I could not speak higher of this company and the exceptional service they provided."
