Hi Lee,
I hope you are well.
Just a quick note to say thanks to yourself and Matt for the full process and the DJ set for the Wedding last month. Seems like a long time ago now, but again great service and good job from Matt; he was really understanding for the theme of the music and things went down really well on the day.
All the best to you and your team at Wedding Players.
Kind Regards,
Mike

Just wanted to drop you a message, Matt, to say thank you.
Would highly recommend you to anybody else looking for a dj, the music was great, exactly what we wanted.
Joe's not much of a dancer but I had a brilliant night dancing away as did our guests.
The photo booth was a huge hit with everyone as well, were so glad we made the last-minute decision to add that in.

Thank you again Matt

Vicky Venn | Kingsweston House | Sun 30 Apr 17 | Photo Booth (MJ) (via email)

Dear Matt

I just wanted to drop you a line to thank you so much for providing the photo booth and running it so well at my party on Sunday. I haven't stopped looking at the photos and it's been fantastic to already have printed photos in frames in the lounge. You were so thoughtful and kind and I just wanted you to know how much your efforts were appreciated.

Vicky couldn't have planned a better surprise for me!

Thanks once again.

Michelle

Hi Matt (same event)

Thank you so much for your help on Sunday, my mum was over the moon! She especially loved the fact that you didn't believe she was 50.

I've received so much great feedback from the family and friends who attended that you were amazing and helpful. The photos are now up all over Facebook and the one of the family framed in the lounge already!!

Thank you once again for your help, what a fantastic night.

Vicky

Hi Darren,

Just wanted to say thank you for Sunday night at Priston Mill. Sorry we didn't get a chance to come and say hello but the music choices were perfect. Sorry you got a bit of harassment from the groom's mother, I hope she wasn't too bothersome! Most people were very happy with the music and we had a lot of compliments on what a great party it was, so thank you.

Naomi and Sam

Beverley Wood | Fri 14 Apr 17 | Priston Mill (Watermill) (MJ) (email)

Hi Lee,

Martin and I wanted to thank you and Matt for providing the music and photo booth for the wedding, both were a success. We also had people on the dance floor most of the night, which I think was great considering the venue is over two floors and people do like to stay in the bar!!

Thanks again, we would have no hesitation in recommending you to others.

Walton Wedding 17.04.17 - Thank-you!!!! (DJ) (email)

Dear Darren & Lee,

I just wanted to email you to express our thanks for the frankly awesome and professional service that you provided for our wedding party. :)

Me and Charlotte had the best day of our lives and your set-up and the professionalism displayed by Darren was fantastic and everyone who attended the party had such a great time. The events of the day and the ever-changing contents of our glasses led us to forget to say thank you outside of some possibly brief drunken ramblings however we couldn't be happier with the way everything turned out and thank you so much for helping to create one of the best parties we've ever been to!!!! We won't hesitate to recommend you to anyone we cross paths with looking for a truly professional, well organised & slick wedding entertainment service - Many thanks again and all the best for a great Bank Holiday Weekend. :)

Yours sincerely,

Nick & Charlotte Walton.

Rosie Coates & Matt | Sun 11 Jun 17 | Kingscote Barn | Wedding Party (DJ) (email)

Hi Lee!

We have been meaning to email you for ages since our wedding! We just wanted to say a huge thank you to you and your team. Darren was amazing on the night. We said it was a small do and it really was, by 9:30pm all the guests had gone and it was just us and our parents. He read the room really well and when it was just us and parents played tunes that had us all dancing - the conga was great!! Also, the end when it was just Matt and I (parents were tidying up), he just played slow music for us and what we really loved was that he played our first song again. It was amazing and Darren was fantastic for reading the room and us so well!

We did text him the next day to say thank you and have been meaning to email you as well!

Thank you again and we will be writing reviews for you everywhere we can! :)

All the best, Rosie and Matt, now Mr and Mrs Powell!

we would like to say thank you for the set-list you provided on our wedding day. Everyone commented on how good the music was, everyone enjoyed themselves on the dance floor from when you first started playing until the very end; even those that didn't like dancing enjoyed sitting there and listening to the music.

You both incredibly helpful before the wedding, answering any of our enquiries. We're more than happy to leave a review and also if you wanted any photos of the evening reception, do let us know.

Best wishes,

Elizabeth Kavanagh | Chew Magna Old School Rooms | Sat 12 Aug 17 | Wedding Party | DJ Darren Jewell

Hi there,

Just back from our honeymoon and wanted to say thank you for an amazing wedding disco on the 12th! The dancefloor was packed and one of my favourite memories was me dancing with my brother like I used to in the clubs-I had such a good time. Darren really felt the mood and did a great job, everyone was up and on it and my friend Su danced like she used to in a miniskirt.

I gather it was a late night for him packing everything away but just wanted to say I am so glad I booked a disco and not a band as it meant the music responded to the crowd so much better.

Well done guys, that was a great party and great value for money,

one happy Bride (and bridegroom)!!!!

NB. Su was asking whether it was possible to get a copy of the playlist he used on the night as it was so good??

Hope you are all well and thanks again.

Elizabeth

Jane Fear | Swan Hotel | Wells | Fri 08 Sept 17 | 60th Birthday Party | DJ Darren Jewell

Hi Lee

Just wanted to thank you and the lovely Darren for making my 'Sparkly' party a huge success!

The disco setup proved to be an excellent backdrop for pics and the lighting really lit up the background for the 'Selfie Mirror'

'Dazza' did a great job with the music so I'm sure the bookings will come flooding in!

Thanks Lee

Karl Pavelin | Wed 13 Sept 17 | Pennard House | DJ Matt James (via email)

Hey Matt,

Just wanted to again thank you for an awesome night. You did us proud and I'm so grateful that you stuck in there after the van break down and everything. Everyone I spoke to loved the music. Mate you managed to get my 91-year-old aunt dancing to the chemical brothers and my 87 year old dad dancing to the prodigy. I take my hat off to you!!

Everyone was happy, they all danced (or flailed around). So again from Lisa and I a very heart felt thank you for making an amazing day that much more amazing

Cheers,

Karl
