Re: Madeline Oliver | Priston Mill | Fri 02 Mar 18 | Wedding Party (DJs Chris James & Darren Jewel | via email)

Hello,

I just wanted to pass on a very heart felt thank you to Darren and the team for defying the odds and providing us with an evening do last Friday at Priston Mill!! We really thought we'd have to cut the day much shorter but the fact you guys powered through and got to the venue anyway meant that the day felt as normal as it could have done in the circumstances-we didn't miss out on the party, still had our first dance and got to celebrate with all our friends.

We really appreciate all your efforts!

Thank you. Maddy

Louisa Davidson | The Victorian Barn, Blandford, Dorset | Sat 17 Mar 18 | Wedding Party (DJ Darren Jewel | via email)

Hi Darren

We just wanted to thank you for everything you did for us at the weekend.

Thank you so much for doing everything in your power to cater for all our guests, including Nick and his friends, who are very particular.

It was a complete success and you were able to tie it all together and make the contrasting styles work.

Apologies if any of our guests were over the top, we hope you were able to enjoy yourself as well.

Good luck with all your future events and thanks once again.

Louisa (and Nick)

P.S. Is there any chance you could send us a copy of everything you played on Saturday night, please? If not, don't worry, Nick just wanted a record of every song in your players from our wedding for nostalgia purposes.

Abby Sprague | Sat 31 Mar 18 | Great Tythe Barn | Wedding Party (DJ - Matt James | via email)

Hi Lee

I couldn't let the weekend end without sending this. I'm not sure where to start so excuse me if I jump around a bit.

Yesterday we had the honour of having Matt playing at our wedding and it honestly felt like we had another of our friends with us. He was so attentive and when he played a song that he knew was a particularly special request he made eye contact and acknowledged both myself and my now husband. It sounds like a small thing, but it meant he really understood our music and our choices.

I have honestly never ever lasted a whole night on the dance floor. Now of course some of that is adrenaline because it was my wedding day but full credit to Matt and his professionalism with reading the audience. The dance floor remained busy the whole night long and I could have cried when our last song played and that meant the night was over.

I'm already considering what next event we may have coming up and will be making a special request for Matt to come back and play for us. An absolute credit to your business. All of our guests commented on how fantastic he was, and the music choices remained consistently good. Feet are throbbing today because there wasn't even one duff song to sit down to and rest our dancing feet.

From the new Mr and Mrs Gray thank you so very much. We could not have asked for more.

This will not be the last you hear from us.

Abby and Doug 😊

Abby Sprague | Sat 31 Mar 18 | Great Tythe Barn | Wedding Party (Photo Booth | via email)

Ps. We have just gone through our photo booth guest book. What a fabulous addition to our evening. This is such a fun way of having a guest book and the pictures speak a thousand words. So many wonderful memories, the booth was worth every penny.

Again thank you so very much from the bottom of our hearts.

Abby and Doug Gray xx

Lee,

Just to say that DJ Chris did an amazing job Good Friday - he absolutely made the night memorable for me and my Guests.

As you probably know Chris rang me beforehand and we discussed the Playlist, which made things a lot easier on the night.

I'll recommend your services to anyone who wants a professional, friendly service!!

Thanks again, Kim

Darren Winsper | Hotel Du Vin | Sat 07 Apr 18 | Wedding Party | DJ – Darren Jewel | via email)

Hi Darren,

I just wanted to say thank you for your set on Saturday evening. I'm sorry I wasn't able to meet you in person, my son was ill on Saturday so I had to bow out early to look after him, but my wife said you put on a really good set and she was very happy with the songs you put on and the overall feel of the evening. I wouldn't hesitate to recommend you to friends.

Regards, Darren

Vicky Hill & Stuart Christie | Great Tythe Barn Tetbury Sun 08/04/18 (DJ – Matt James | via email)

Hi

Our wedding was on Sunday and we had Matt as our DJ.

From the start the music was exactly what we had wanted. He took a few requests but still kept it in line to what we had said. Lots of people have commented to us about the amount of tunes that were played that everyone could sing and dance to so that was great to hear! By the end of the night all the girls had shoes off and sore feet and even all the guys were up dancing... the sign of a great night!

We cannot thank Matt enough!

Thanks again

The new Mr and Mrs Christie (Vicky and Stuart) X

Laurence Henning | Priston Mill | Sat 07 Apr 18 | Wedding Party (DJ – Matt James | via email)

Hi Lee, Just want to say thank you to wedding players as a whole. Your assistance and choice of booking was excellent.

We had the best night we could've asked for. Matt was incredible - played all our favourites and then some more. The dance floor was jumping and he kept the room going. Even OAPs were raving at times!

Couldn't fault Matt's delivery and professionalism (he even wore a suit which is the first time we've seen a dj do that). Would recommend to anyone. We know people that have paid twice as much and no where near as good as we got with Matt.

Best wishes to you all, Laurence and Lorna

Fay & Chris Bromfield | West Monmouthshire Golf Club | Fri 6th Apr 18 | Wedding Party | All-Inc & Projector & Screen (DJ – Matt James via Email)

Hi lee,

I just wanted to take the time to email you to leave a review for our dj Mathew.

When I first booked Mathew, he had to rearrange some things to be able to host our wedding party. I explained to him that as we got married in Mexico the whole party was Mexican themed. Mathew was in contact throughout the planning of the party. He even ordered a Mexican template for the photo booth and he helped me to decide what we would put on there.

I didn't see Mathew after decorating the venue but when I walked in the way he set up took my breath away!!! He asked me what colour I wanted the dj booth and photo booth, we selected white which complemented the bright (Mexican colours) of the decorations, Mathew set the love letters and the uplighting to match that of the balloons and decor, and he looked very smart in a suit behind the booth.

They were all ages at the party from 2 years old - 65 years old and Mathew played music that catered for all, the whole night people were dancing and having a great time (even the toddlers & oldies)!!! Lots of friends have commented how amazing the dj was!

My party wouldn't have been the same if it wasn't for Mathew, he truly is fantastic dj, very smart, very professional and understands what people want at a party! Thank you so much for everything.

Hi Matt,

Hope you've had a great week last week.

Louise and I wanted to thank you, and Nathan, for helping make our wedding such a special day, the weekend before last.

It was really great to meet you on the day; the music was absolutely perfect for everyone, and we had lots of fun photos from the photobooth. The barn looked super with the uplighting, as well.

Thanks so much for all the help in the lead-up and on our big day.

Hope that the rest of the summer goes well for you.

Best wishes

Hi Matt

Our wedding on Thursday went off, much of the thanks for which need to go to you. Your mix was cracking, people were so happy with it. General Levy into Oasis I wouldn't have though possible let alone sounding as cracking as it did.

We will be sure to give you a great review when back from our honeymoon.

Many thanks, Andy and Helen

Hi Lee,

I trust you are well?

I have already sent a thank you note to Matt, however I just wanted to let you know, that we were really happy with both Matt & Sam on our wedding night.

Matt was helpful in the afternoon, assisting with the PA system and the mic during the wedding speeches. the monogram looked brilliant for the first dance and the love letters looked great under the pergola.

Matts DJing was brilliant and we have had so much great feedback from our guests since! I was dancing since the first dance and only stopped once to get a drink ;-). Sam and Matt were a great double act and having Sam really made a difference so thanks for sorting this out.

Please pass on our sincerest thanks for a great night and great music.

thanks to you for all the pre-planning, much continued success and best wishes from Germany,

Natalie & Markus

So many of our guests (and us!) have commented on how great the DJ and music was, and the fact they have never seen the dance floor so full so early on! It was amazing and exactly what we wanted, tune after tune!

Thank you again, and best wishes to you for the future.

Dear Chris,

We just wanted to write and say thank you for DJ-ing at our wedding at the Guildhall on August 4th.

It went really well, and we got lots of comments on how good the music was. Your extra support playing at the in between bits was also wonderful - we hadn't thought about that, but it was really excellent.

Particularly enjoyed working with you during the lead up - planning our play list and the extras. You were really great and made it really fun.

Best wishes and thank you so much once again!

Rosie Knott & Harry Garne | Great Tythe Barn | Fri 20 July 18 | Wedding Party (DJ – Matt James (Via Email))

Hi Matt,

Firstly, a huge sorry it's taken so long to send this message!

Rosie and I need to say an absolutely HUGE thank you for being the most incredible DJ at our wedding. You were just brilliant and didn't put a foot wrong all night. We've had dozens of people ask where we found you and have been only too happy to pass on your name and details!

The most important thing for us was always that as many people as possible were dancing, which began literally the second the first song started. A few of our friends have said they were desperate for a drink but couldn't find the right song to leave the dance floor to get one; if that's not a good review I don't know what is.

You were an essential part of the most perfect day, so we just wanted to say thank you so much indeed from us both. If we can help with reviews/testimonials etc we'd be thrilled to do so.

Keep up the good work, and thanks again!

Harry and Rosie x

Dear Lee and Adam,

We would like to thank you so much for providing the music last Saturday night! We had the most amazing time as did our guests! Adam your music selection was spot on with the cross section of people that were there, thank you! Sorry we didn't have a chance to say thank you at the end.

We will be recommending you and we're are delighted that we were able to have you do the music and look after such an important aspect of our wedding! I did chuckle to myself at one point, as if you remember Lee, you explained you are the experts but will have people coming up to you for requests, I saw that once and she was a GP just as you had predicted! I am sure Adam you did play what she was after, thank you!

Thank you again

Hannah Lee | Roman Bath Reception Hall | Sat 22 Sept 18 | Wedding Party | DJ

Hello Darren and Lee,

Thank you so much for the fantastic music at our wedding! We recently got back from our Honeymoon in Croatia and I'm now catching up with some overdue thanks...

I'm sorry that the timing went a bit out on the night, but thank you for going with the flow and making the entertainment run seamlessly. The music was great, and I enjoyed having a dance towards the end of the night (I was trying to do the rounds of greeting people for a while - an evening wedding is a bit whirlwind!) I saw lots of guests on the dance floor having a great time... my nephew even taught me how to 'floss' for the occasion.

Thanks again for all your help and for a great night! I will recommend you if any friends get married in the area!

All the best, Hannah and Alec

Hi Matt,

We hope you are well?

We just wanted to take the opportunity to thank you so much for being so amazing at our wedding, both you and Simon really made the evening extra special and kept everyone dancing (even the reluctant ones!)..... both you and Simon were outstanding in setting up super quickly so that our guests weren't kept waiting. The music was spot on and all of the guests were constantly saying how much they loved the entertainment. As for the photo booth all of the guests thought it was amazing and can't wait to get a copy of the rest of the photos from us.

You both knew exactly what we were hoping for on our day and went above and beyond to help us make it happen. You are both so lovely and it was a genuine pleasure to share our evening with you. We hope you both had as much fun as we did.

Thank you so much again, words will never truly convey how much we appreciated all of your hard work to add that extra something special to the evening.

I've sent this email to Lee also, I hope you don't mind. I just wanted him to know how great we think you both are!!

All our thanks in the world, Emily and Dean

Rob Scott & James | MShed | Bristol | Sat 29 Dec 18 | Wedding Party | DJ (Matt James via email)

Myself and my partner got married at the MShed in Bristol over Christmas and arranged our wedding DJ via The Wedding Players. Looking back at everything now, we can categorically say we absolutely made the right decision. These guys are amazing, here's why.

Firstly, we live in Australia, which as you can imagine, trying to arrange a UK wedding from 10,000 miles away can be a challenge! Unlike some of our other suppliers, Lee and the office team at TWP were always quick to respond to all our queries and were a pleasure to deal with throughout the booking/admin process, giving advice on how to prepare the perfect tracklist/sending contracts through etc.

Closer to the day, our DJ Matt introduced himself and over a phonecall we went through some of our very specific music choices (!) and from that moment on we knew we were in safe hands.

And the night itself? What can I say.... We absolutely loved it. After an incredible day, Matt provided an exceptional evening that our guests really enjoyed, we had numerous guests tell us this was the best wedding DJ they'd heard! Sound quality was great, lighting perfect.

Although it had been mentioned to us before that the tracklist would be mixed, I didn't fully realise how good the mixing would be, totally professional and technically impressive. Completely seamless. For us, this sets this apart from other wedding DJ outfits out there of the stop/start/fade variety... Being a fan of dance music myself (and a wannabe trance vinyl DJ in my clubbing days in the early 2000s!), I really appreciated that. Matt mixed our song choices as well as mixing in an amazing selection of similar genre tunes as if by surprise, which made me, and some of our guests, very happy! He also went over and above to ensure we had an awesome evening, even at one stage offering to take photos at the end of the night and send them through, which was a lovely offer. Due to a wardrobe change we were running 15 mins late for our planned "first dance announcement" and msgd Matt with very little notice with the change of plans. Straight away, he was on it. Like I said, completely professional and receptive to our requests.

Comparatively, TWP are a little pricier than some other wedding DJs out there, but I cannot stress enough how absolutely worth it these guys are. I would much rather pay that little bit more and know that you are getting a premium service with a company you can rely on, with a team who will really help you have the best night ever.

If I could rate The Wedding Players any higher than 5 stars I would, and would absolutely recommend them to anyone wanting to hire a DJ for a function. Massive thumbs up, two happy newlyweds here! :)
